

CRAFT A SNOWFLAKE FROM THE GARDEN

WITH **WHOLE KIDS®**
FOUNDATION

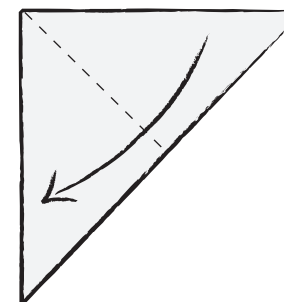

STEP 1

Start with an 8.5" x 11" sheet of paper and fold the bottom right corner up to meet the left edge

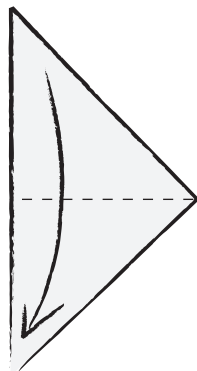

STEP 2

Cut the remaining strip of paper off (**Tip:** make chains of paper garland using your extra strips of paper)

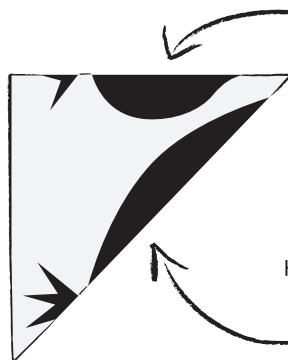

STEP 3

Fold the top right corner to the bottom left corner

STEP 4

Fold the top point to the bottom point

STEP 5

Cut out the shapes indicated above or use the traceable guide on page 2. Unfold to discover your very own veggie snowflake! Some of these cuts may be hard. Ask a parent for help.
