Build a BAT HAT!

What You'll Need:
- Paper Plate
- Cereal Box
- Scissors
- Markers or Crayons
- Stapler
- Pencil
- Tape

1. Fold paper plate in half.

2. Use scissors to cut sections out of plate for WINGS.

3. Unfold and flatten your cereal box. Cut out BAT BODY template and trace onto cereal box. Cut out body.

4. Unfold your wings. Staple bat body on top of WINGS.

5. Decorate your bat body and wings. Draw a face.

6. Cut 2 long strips from your cereal box.

7. Staple ends of strips together to make one long piece.

BAT BODY Template

Think About It!

1. Bats snack on bugs to fuel their flight. What healthy treat/fuel can you eat on Halloween night?
2. Can you think of a healthy snack that is made with “bugs”?
3. Bats eat locally, traveling only a few hundred meters for a meal. What foods grow close to your home? Hint: Things you can find at the farmer’s market.

4. Answer to 2 = Bugs on a log.

5. Answer to 3 = Fit berries, apples and grapes.
