### ● Decorate Cookies

Set out crayons and markers and encourage kids to get creative with their cookie decorating! They can explore making patterns, designs, and other embellishments. Have kids come up with names for the cookie treats they design.

### ★ Marshmallow Counting

As kids work on this activity, ask them which mug has the most marshmallows. Which has the least? Challenge older kids to add up all the marshmallows.

### ▲ Sleigh Ride Scene

While kids color this page, start a story chain: "Once upon a time, a mouse and a bird set off on a sleigh..." Have each kid contribute a new idea to the story!

### ◆ Snowflake Scissor Skills

After kids cut the snowflakes using child-safe scissors, show them how to use the scissors to make fringe around the edges. Or, show them how they can cut in from the edge at alternating angles to add more detail to their snowflake.

### ■ Letter to Santa

Use the Stamp & Sort Mailbox to teach kids the art of addressing, writing, stamping, and sending a personal letter. Kids can use the template or a blank sheet of paper. Encourage them to draw pictures, too!
