# Make An ECO ENVELOPE

RECYCLED Art Project

LEVEL: EASY

What You'll Need:

Cereal Box

Sheet of Blank Paper

Scissors

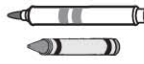

Packing Tape

or

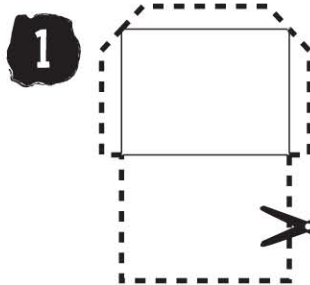

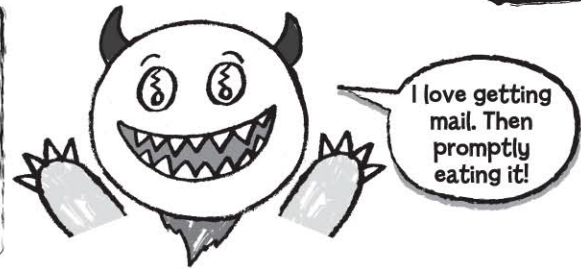

Postage Stamp

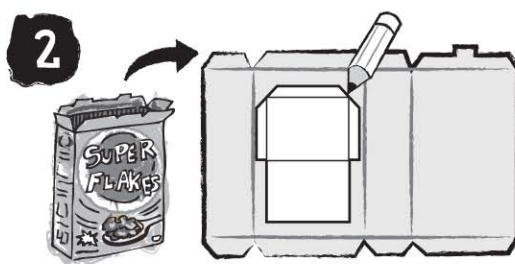

Markers and Crayons

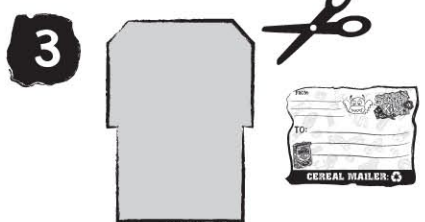

Pencil

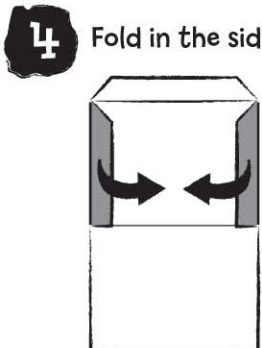

1 Cut out the mailer template on page 2 with scissors.

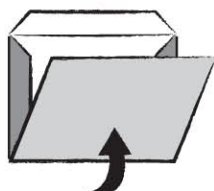

2 Unfold and flatten your cereal box. Trace template onto 1 side of the box.

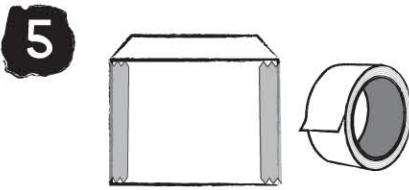

3 Cut out the mailer and mailing label.

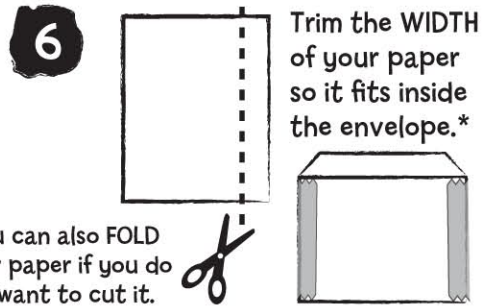

4 Fold in the side flaps.

Fold up the bottom.

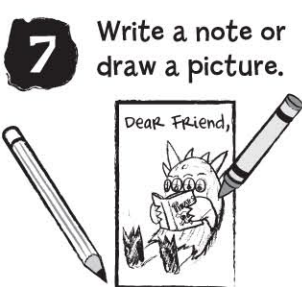

5 Tape the sides.

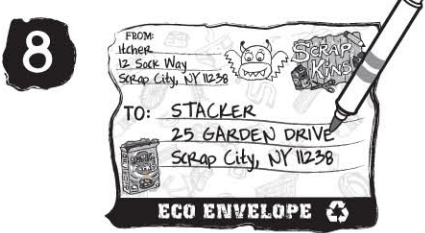

6 Trim the WIDTH of your paper so it fits inside the envelope.\*

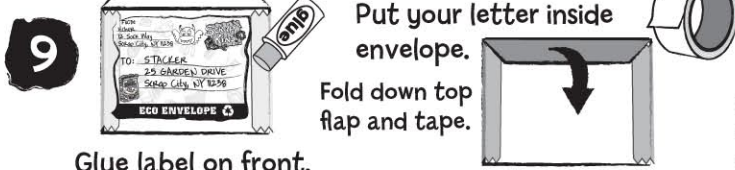

\*You can also FOLD your paper if you do not want to cut it.

7 Write a note or draw a picture.

8 Write your address on the "FROM" lines and your friend's address on the "TO" lines of your label.

9 Put your letter inside envelope. Fold down top flap and tape. Glue label on front.

10 Put on a postage stamp and drop it in the mail!

## Think About It!

- 1 What is your favorite school lunch?
- 2 What 2 fresh fruits or veggies would you like to have for lunch at school?
- 3 Write a letter to your school's principal, superintendent or your state representative and tell them what you'd like school lunch to be.

Send it in your eco envelope!
